GM T Levels Employer Pledge

Your Business, Their Talent

Future-proof your workforce by offering a T Level placement in your Greater Manchester business.

What are T Levels ?

T Levels are two-year technical qualifications for 16–19-year-olds, equivalent to three A Levels. They combine classroom learning with industry placements, giving students real-world experience while helping businesses access fresh talent.

Aligned with the Greater Manchester MBacc, T Levels support the city-region's ambition to turbocharge the economy while giving young people a clear line of sight to great jobs.

How do they work?

80% classroom learning – students develop industry-relevant skills

20% industry placement – 45 days of hands-on experience in your business

Which Sectors Offer T Levels?

T Levels are available across the following sectors:

- Education & Early Years
- Construction & Green Economy
- Digital & Tech
- Creative, Culture & Sport
- Financial & Professional
- Engineering & Manufacturing

However, we can help match employers - whatever size or sector - to the right student placement.

What are the benefits for my business?

Access to Skilled Talent: Gain access to a pool of talented and motivated students who are eager to apply their skills in a real-world setting. T Level students bring fresh perspectives and innovative ideas to your business.

Enhance Your Workforce: T Level placements provide an opportunity to identify and nurture future employees. By investing in their development, you can build a pipeline of skilled workers tailored to your business needs.

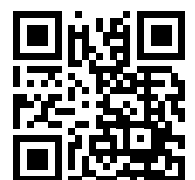

Positive Impact on the Community: Supporting T Levels helps to strengthen the local economy and community. By providing valuable work experience, you contribute to the development of a skilled and employable workforce in Greater Manchester.

Boost Your Brand: Participating in T Level placements enhances your company's reputation as a socially responsible and forward-thinking employer. Showcase your commitment to education and workforce development.
